- Envelopes (outer and inner) are calligraphed in black ink or colored watercolor paint.
- If your envelopes do not offer some degree of transparency (I use a lightbox for proper alignment), there will be an additional fee of 0.25 per envelope in addition to the price listed below.
- The basic format used is staggered (indented). Envelopes must be at least 8" wide.
- The envelope surface needs to permit a gliding of the copperplate nib across the surface. It is a sharp pointed nib and will not glide upon highly textured paper.
- Prices per envelope:
 - outer envelope with black ink \$1.50
 - inner envelope with black ink \$0.50
 - outer envelope using a colored or metallic watercolor paint \$1.75 (an extra \$25 added to total price)
 - inner envelope using a colored or metallic watercolor paint \$ 0.75
 - placecard / escort card prices vary, between \$0.50 to \$1.00
